

Shift adjustment.

is it to the
0 settings
on boy.

Nothing but the best.

Why do we work so hard to make the Madone the best bike on the road? Because the Discovery Channel Cycling Team demands nothing less. And because we kinda like the way it looks up on the podium.

Yaroslav Popovych wins Stage 12 of the 2006 Tour de France.

Accelerating the pursuit of speed.

The difference between winning and losing is often measured in seconds. With the help of AMD computer hardware, Trek's Advanced Concept Group cut the design time of the wind-cheating TTX from six months to just four weeks. Allowing the TTX to go from idea to Tour de France-winner in record time.

Frameset comes w/seatpost.

ALL DIMENSIONS ARE IN CENTIMETERS/INCHES UNLESS OTHERWISE STATED.
SOME MODELS ARE NOT AVAILABLE IN ALL SIZES.

Trek Limited Lifetime Warranty

Trek Bicycle Corporation provides each original retail purchaser of the bicycle a lifetime warranty against defects in materials and workmanship in the bicycle frame and rigid fork when purchased from an authorized Trek dealer. Trek Bicycle Corporation likewise warrants all original parts on the bicycle, excluding suspension forks and rear shock absorbers, for a period of one year from the date of purchase. Suspension forks and rear shock absorbers shall be covered by the stated warranty of their original manufacturers. Paint and decals are warranted for one year. This warranty is expressly limited to the repair or replacement of a defective frame, fork, or defective part and is the sole remedy of the warranty. This warranty applies only to the original owner and is not transferable. Claims under this warranty must be made through an authorized Trek dealer. Proof of purchase is required. A warranty registration card must be completed and received by the Trek Bicycle Corporation before a warranty claim may be processed. This warranty covers bicycles and components outside the United States only if purchased through an authorized international Trek distributor or Trek dealer within the country of purchase. The warranty does not cover normal wear and tear, improper assembly or follow-up maintenance, installation of parts or accessories not originally intended or compatible with the bicycle as sold, damage or failure due to accident, misuse or neglect, or modification of the frame, fork or components.

Trek Bicycle Corporation shall not be responsible for incidental or consequential damages. Some states do not allow the exclusion of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives the consumer specific legal rights, and those rights may vary from place to place. This warranty does not affect the statutory rights of the consumer.

All photos, illustrations, colors, weights, and specifications contained in this catalog are based on the latest production information at the time of publication. Trek reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown may be due to the reproductive variations of the printing process. Photos may include non-U.S. equipment. Some models may be shown with optional equipment. Off road bike weights based on medium or 18 inch frame size. Road bike weights based on 56cm frame size.

All Trek bikes are sold exclusively through our network of Authorized Dealers who we entrust with professional assembly and service of your bicycle. Trek extends a Lifetime Warranty on every frame.
